

Wheels of Faith Member's Covenant

As a born again believer, confessing Jesus is Lord, and submitting myself to His Lordship, desiring to become a member of the Wheels of Faith Motorcycle Ministry, I sincerely enter into this covenant agreeing and committing to:

A Christian walk where my behavior is a reflection of my relationship with Christ, praying daily, reading God's Word, and attending church while adhering to our Statement of Fundamental Truths.

A Christian example knowing that when I wear club colors or participate in club events, that the world is watching. Therefore I will refrain from any activity that would be other than what Jesus would do.

A Servant's heart not seeking my own but rather putting other's needs first while being in submission to ministry leaders in regard to ministry activities and function.

Additionally, as a Wheels of Faith M/M member, I commit to:

Protect the ministry, our colors, and reputation by exhibiting Godly love as opposed to carnal pride.

Supporting the ministry by my involvement in events and financially through membership offerings.

I recognize that the colors are property of the National Office and are in my possession, but must be returned to the National Office if requested without reimbursement.

I freely enter into this covenant with Wheels of Faith M/M and agree to freely relinquish my club colors should I ever break this covenant.
